

The United States Department of Health and Human Services (“HHS”) is seeking candidates to serve on the Medicare Geographic Classification Review Board (“MGCRB”).

The principal responsibility of the MGCRB is to review and make determinations on the geographic reclassification requests of hospitals receiving payment under the Medicare hospital inpatient prospective payment system in accordance with 42 C.F.R. § 412 Subpart L.

The MGCRB is composed of five members, including a Chairperson. Two members must be representatives of prospective payment system hospitals located in rural areas and at least one member must be knowledgeable in analyzing the costs of inpatient hospital services. A quorum of three members, one of whom is a representative of rural hospitals, if possible, is necessary to make decisions.

Board members are appointed to serve three year terms. The Board member position is not a full-time position as the Board convenes only once annually. The Board members are solely compensated for the day of the telephonic hearing. Office space is not provided for Board members and travel to Baltimore is not required. The Board’s work is accomplished through teleconference, regular mail, and email.

If interested, please e mail a resume and cover letter by **April 26, 2019** to Kevin Keck, Deputy Director, CMS Office of Hearings, Division of Systems and Case Management at [Kevin.Keck@cms.hhs.gov](mailto:Kevin.Keck@cms.hhs.gov). Mr. Keck may also be reached at 410-786-1995.
